1. You may copy and distribute exact reproductions of the **Open Content (OC)** as you receive it, in any medium, provided that you conspicuously place on each copy an appropriate copyright notice and disclaimer of liability ; keep listed and intact all the instances where reference is made to this Notification, the placing of an appropriate copyright notice and disclaimer of liability ; and give any other recipients of the OC a copy of this Notification together with the OC. You may at your discretion charge a fee for the media and/or handling involved in creating a unique copy of the OC for use off-line, or you may at your discretion offer instructional support for the OC in exchange for a fee. You may not charge a fee for the OC itself. You may not charge a fee for the sole service of providing access to and/or use of the OC via a network (e.g. the Internet), whether it be via the World Wide Web (www), File Transfer Protocol (FTP), or any other method. You may not alter in any way the terms and conditions applying to liability.

2. You may translate and/or modify your copy of the **Open Content (OC)** or any portion of it, thus forming works based on the OC, and distribute such translations and/or modifications or work under the terms of Section 1 above, provided that you also meet all of the following conditions :

- a) You shall cause the translated and/or modified OC to carry prominent statements that you translated and/or changed it, the exact nature and content of the translations and/or changes, and the date of any translation and/or change ;

- b) You shall cause the translated OC to carry prominent statements that the only authoritative content is in the English language, and you shall provide in such statements a location for the source of the authoritative content in English ;

- d) These requirements apply to the translated and/or modified work as a whole. If identifiable sections of that work are not derived from the OC, and can be reasonably considered independent and separate works in themselves, then this Notification, and its terms and conditions, do not apply to those sections when you distribute them as separate works. But when you distribute the same sections as part of a whole which is a work based on the OC, the distribution of the whole shall be on the same terms and conditions as this Notification, whose grant of permission for further distribution extends to the entire whole, and thus to each and every part regardless of who wrote it.

3. You are not required to accept this Notification, since you have not directly agreed to it. However, nothing else grants you permission to freely copy, translate, distribute or modify the **Open Content (OC)**. These actions are prohibited by law if you do not accept this Notification. Therefore, by copying, translating, distributing or modifying the OC, or by deriving works therefrom, you indicate your acceptance of this Notification, the grant of permission to do so contained therein, and all its terms and conditions for copying, translating, distributing or modifying the OC.
